

## Training & Socialization Guide (0-12 Months)

Month 1-3 (8-12 weeks):

- Begin crate training and potty training
- Introduce to household noises, people, and surfaces
- Use gentle positive reinforcement
- Short, controlled social outings

Month 4-6:

- Basic commands (sit, stay, come, down)
- Leash training
- Exposure to new dogs and environments
- Handling practice (ears, paws, brushing)

Month 6-12:

- Continue socialization and obedience
- Practice impulse control
- Gentle confidence building
- Begin adult-sized gear
